

MD RAFFIUL ISLAM

BSc. in CSE, University of Dhaka · Software Engineer

ABOUT ME

Full-stack developer with a B.Sc. in Computer Science & Engineering from the University of Dhaka, now working as a Software Engineer at Karooth IT BD. I build enterprise web systems end to end — from responsive front-ends to reliable back-end services — and bring the same problem-solving mindset and attention to detail from my academic foundation into every project I ship.
